Heart attacks are treated like medical emergencies, *not police matters.*

**MENTAL HEALTH AND
DRUG CRISES SHOULD BE
TREATED THE SAME WAY.**

**NEW REPORT:
From Crisis to Care**

The Drug Policy Alliance has released a report that explores the link between addiction, mental health, and homelessness and presents five approaches to help create healthier, safer communities.

What Does Overdose Prevention Look Like?

Overdose prevention can take many forms. We need to meet people where they are and give them the tools to save lives.
